

BRIDGNORTH AND MORVILLE PARISHES TEAM MINISTRY	GUIDELINE No 1
TEAM COUNCIL COSTS AND BEST PRACTICE WORKING PARTY	SUPPLIERS LIST

An exercise was carried out in 2016 to identify suppliers used by the parishes in the Bridgnorth and Morville benefice. The objective was to identify suppliers for the main areas of expenditure to show which suppliers are being used for the benefit of the PCC in the benefice. The list is provided below.

This is not a recommendation for specific suppliers but simply information to assist PCCs who should make their own enquiries with the relevant PCC.

The list will be updated as further information becomes available.
