## **CHURCH SERVICES GOING FORWARD FROM SEPTEMBER**

You may or may not be aware that in the Deanery due to long term sickness, retirement and existing vacancies there is considerable call upon a limited number of PTOs and SSMs to take Communion services.

Following consultation with the Rural Dean it is felt that the way forward is that there will be two Communion services at St Mary's Bridgnorth and only one Communion service at the following churches per month:-

Acton Round

Astley Abbotts

Aston Eyre

Morville

St Leonard's Hall Church

Tasley

The Monkhopton arrangement of Holy Communion services every other month will stay unchanged as will the existing arrangement at Oldbury and Quatford as Revd. Marjorie Brooks is content for the existing timetable of Holy Communion services for them to remain unchanged.

There will be at least one Communion service every Sunday within the Benefice so if your church hasn't a Communion on a particular Sunday you will be most welcome to attend or go to your own church where there will hopefully be a Morning Prayer or Family Service. If for any reason any particular church cannot offer a service we will endeavour to give congregations two weeks notice.

## Quatford News

In early August the country experienced Storm Antoni but July was little better with torrential rain, thunderstorms and winds that, in the churchyard, uprooted a Scots pine. This majestic tree narrowly missed the church tower since when it has been cut up and anyone interested in purchasing logs (on the proviso that the buyer collects) can contact Rachel on 01746 766146.

We also held our Patronal weekend in July. Saturday saw us entertained by the Black-Eyed Susan Saxophone quintet which was great fun as were the contributions from the choir. To all involved, and you will know who you are, a big thank you including those of you who contributed some wonderful puddings and raffle prizes. Just under £500 was raised for church funds so grateful thanks to all, including concert goers. Sunday was equally enjoyable as our Patronal service took the form of Songs of Praise. Many in the church that day recited their chosen readings or poems having previously reflected on its relevance to them which led the Rev<sup>d</sup> Marjorie, on her reflection of the service, to suggest that “the overall message that came across [to her] was the closeness of Jesus” [for He] “is close to you here and now, and at all times”. A comforting thought.

As I write we have also witnessed two weddings and a third is planned for the 27<sup>th</sup> August. To Dennis and Maria, Mark and Fay and Anthony and Deborah may we, at Quatford, wish you every happiness for the future. Do come and visit us again!

And so, to September 9<sup>th</sup> and Ride and Stride when church volunteers will be serving the refreshments between the official hours of 10am to 4pm. Unofficially, we'll be open at 9 am and closing at 5pm so come when you can and help us to eat cake!

On Sunday, 24<sup>th</sup> September we'll be celebrating Harvest. The Evensong service commences at 3 pm and our charitable cause is the Bridgnorth Food Bank. Please bring donations of food, including pet food, and toiletries. Thank you.

Finally, with the reduction of Communion services amongst the parish

churches in the Benefice please know that you will be most welcome at Quatford should you wish to join us on either the second or fourth Sunday of the month.

## News from Oldbury

It is always good to see a church full of smiling faces. August is normally a fairly quiet month, but the last two Sundays have seen copious amounts of coffee and cakes, and a delightful celebration to mark the arrival of our Church Warden's new granddaughter.

Sunday 30<sup>th</sup> July was a 5<sup>th</sup> Sunday. As our normal services are now held on the 1<sup>st</sup> and 3<sup>rd</sup> Sundays of the month we decided to bridge this 3-week gap with a 'Coffee and Cakes' morning. Helen Bagnall and the Oldbury bakers always produce the most amazing cakes, and not surprisingly this informal approach seems to be proving popular, with over 30 visitors and a number of dogs coming to enjoy their mid-morning break. The re-ordered North Aisle now provides a really useful social space. The pews have been moved to the sides and it is surprising the difference this has made. They are still available should they be needed for formal occasions, but we now have an area for mingling, chatting and getting to know each other. It was good to see new faces in the church and I am sure this is a positive way forward. £52 was raised through the sale of books and plants for Christian Aid, and the 'Coffee and Cakes' made an excellent £204. The Collect Tin digital payment system was also in use and with fewer people carrying loose change this is undoubtedly a helpful addition.

The following Sunday the Fisher family gathered to celebrate the arrival of Matilda Catherine Schutz, Liz and Owen Fisher's 4<sup>th</sup> grandchild. Matilda and her family are based in Germany, so we all enjoyed being able to share this special occasion with them and to welcome a number of their German relatives and friends. This was the 4<sup>th</sup> time Marjorie had conducted this special service of thanksgiving for the family, and the final hymn 'Give me Joy in my Heart' was performed with musical accompaniment from the delighted and enthusiastic children.

## From Derek Archdeacon of Hereford

Achievement – One of the things I have done as part of my study leave is to walk the Pembrokeshire Coastal Path. I have wanted to do this since I was in my late teens. I actually did around a third of it back in 1986 and have done different parts ever since but never got around to walking the whole path. I can now say that after walking for 16 days I have completed all 186 miles and enjoyed every moment of it! Whilst written out it does not seem quite so challenging, as it was coastal walking it certainly contained a lot of climbing up and down. According to the Coast Path, guide book the ascents and descent are said to be the equivalent of climbing Mount Everest – 35,000 feet! In addition I lost weight and raised with my sister in law £3000 for the Alzheimer's Society. It actually feels like I have achieved something and it got me thinking about the idea of success.

In our society today, we are often measured by how successful we are and whilst we should all aim to do our best and work hard that will not always lead to success. It is so easy for us to try to emulate others or to search out the golden bullet that will change our fortunes but the reality is chasing after superficial success will not help us spiritually.

The same is true in our churches it is far too easy to compare ourselves with others or think that there is a clever solution to our problems. The reality is there is no one way to grow our churches or to be successful because it is God who grows the church not us. When we chase after clever tools and copy other peoples strategies we miss the point completely.

“Come now, you who say, “Today or tomorrow we will go into such and such a town and spend a year there and trade and make a profit”— yet you do not know what tomorrow will bring. What is your life? For you are a mist that appears for a little time and then vanishes. Instead you ought to say, “If the Lord wills, we will live and do this or that.” As it is, you boast in your arrogance. All such boasting is evil. So whoever knows the right thing to do and fails to do it, for him it is sin.”

James 4:13-17

James writing to the early church recognised that it is only God who can create our spiritual growth and grand plans that don't include

God are fruitless. When we chase success for success's sake we will simply end up missing what God is about and fool ourselves. James isn't suggesting we have a fatalistic faith but what he is saying is that we need to see what God is doing amongst us and join in with him. So often, we create plans and then invite God to bless them rather than asking God in prayer what he would have us do. James wants the church to be a place that is faithful to the gospel and to listen to God and not chase after success and achievement so we can boast about ourselves. When we put God first in our lives then we will see achievement in a different light. Achievement also does not come without cost and it amazes me how so often we stockpile our resources and then wonder why we don't see more fruit from our church life. Generosity and hospitality are core parts of our faith and yet we often fail to share what God has given us with others. If we truly want to see our churches grow and flourish we have to live out the values of our faith and not allow ourselves to become inward looking. Our faith is not a business transaction where we get what we pay for instead we are called to give ourselves away for the sake of the kingdom. This is what Jesus taught his disciples and it is just as true for us today.

"Don't pile up treasures on earth, where moth and rust can spoil them and thieves can break in and steal. But keep your treasure in Heaven where there is neither moth nor rust to spoil it and nobody can break in and steal. For wherever your treasure is, you may be certain that your heart will be there too!"

Matthew 6:19-21

The good news is that we can all achieve things for God if we put our minds to it and he has given us all the resources we need if we put our trust in him. It doesn't matter if we are part of a church with six members or sixty we all have a part in God's plan if we ask him and listen for the whispers of the Holy Spirit to guide us. Instead of trying to be successful, we need to learn to be faithful and obedient to the call of God to serve our communities. I love the words of the

Missionary teacher William Carey that remind us to trust God and have a go!

"Expect great things from God. Attempt great things for God."

## NATURE SINGS TOO

Have you ever chosen to miss a church service and felt guilty about it? I know that I have! Some years ago, at our previous church in Kent, Jean and I were fairly regular devotees of evensong: there was always something rather poignant about the quiet thanksgiving to God for a day well spent, or reconciliation sometimes for a day less well spent. One such evening in summer, was such a beautiful one, that I found myself by-passing the church to enjoy a glorious sunset behind the woods and be at one with nature, apologetically praying as I walked; it started off the flow of thoughts which led to this poem.

### EVENSONG

I rambled half aware as the sun set,  
Of church and church bells' languid toll:  
Of prayerbooks held by passers-by and yet  
Cared not that I preferred my evening stroll,

I hoped, that by the sun-rosed, lichen wall,  
where roosting bird gave way to pipistrelle,  
my heart spoke praise my lips would not let fall  
to the strains of a thrush and distant bell.

That distant thrush I heard but could not see,  
who from his perch for pew spared no expense  
at full rendition of his song, for that  
he spoke for all my wordly reticence –  
Magnificence – if not 'Magnificat'

## NEWS FROM ASTLEY ABBOTTS

We start this month's update from Astley Abbots with some sad news. Some of you may remember Rosemary Lake, who until recently was a member of our PCC. Sadly Rosemary passed away on 24th July, at her home in Swindon.

Some of her friends from the parish were fortunately able to visit her recently and give her our best wishes. Rosemary's Mother, Betty was a longstanding Churchwarden & her Father, David was a well known local historian.

Rosemary's funeral will take place at North Wiltshire Crematorium, SN5 9ET on 31st August at 11am.

Whilst on the subject of dates, we have some for your diary:

Thursday 5th October we are cutting the meadow at church, and generally readying the Churchyard for Winter, with the help of Alex & the volunteers from Caring For God's Acre. We will meet at 10am.

Alex is very knowledgeable about meadow management & wildlife support & is an expert in working with scythes and other hand tools, do come along to help, there will be coffee & cake & we usually have great fun and learn a lot.

Sunday 8th October is our next Cafe Church, at 10am in the Village Hall, join us for breakfast and interesting discussion, all ages welcome & the toy corner will be set up. Mark Melliush will be there, we really enjoyed our time together last time we met.

Our Harvest Festival Service will take place on Sunday 29th October at 5pm in church, followed by a pie & pint supper afterwards in the Village Hall. There will be live music from 'Old Bones Dance Band', dancing not compulsory, just enjoy the food & company with good music. Bring your own pints....or any other beverage!

We will be collecting food & money at church for Bridgnorth Foodbank.

Very early advice of our Christmas Services....17th December 2023 at 6pm, Carols by Candlelight and 24th December at 4pm our Churchyard Crib Service.

We hope to see you on some or all of these dates, until then...

***God Bless***

## Reducing energy costs in your home

How can you make savings at home and to how can you fund the work?

### Easy first targets

There are a few easy things you can start with, including: installing LED lighting, draught proofing doors and windows, closing your curtains at night, choosing efficient appliances, turning things off when not in use, not overfilling kettles and making sure your boiler is working efficiently, with good temperature controls.

### Insulation

The next step is to minimise the heat lost from your property. Cost-effective improvements include:

**Loft insulation:** If your loft has no, or little, insulation then adding 300mm of loft insulation pays for itself in about 2 years.

**Double or triple glazing:** The energy saved by installing replacement windows and doors typically pays for the replacement of single glazed windows over about 20 years.

**Solid wall insulation:** If you have solid walls then installing wall insulation can pay for itself in 5 to 10 years. Internal wall insulation can be installed a room at a time, when redecorating or fitting a new kitchen or bathroom. External wall insulation works best on certain styles of property – or you could just insulate a wall with no windows.

**Cavity wall insulation:** If you have an older house with suitable cavity walls, which have not been insulated, then cavity wall insulation is very worthwhile, with a fairly short return on investment.

### Moisture, damp and ventilation

[When correctly installed, all of the above will reduce damp and mould problems, but care is needed. For example, any moisture barrier should be on the warm side of insulation, or you may get condensation on the inside of a cold moisture barrier. Ensure you take good advice on this.](#)

You always need to control the moisture levels in any house by having sufficient ventilation and limiting how much moisture is released. Extraction fans in kitchens and bathrooms help with this and you should avoid, for example, drying clothing in a house with damp problems.

## Boiler efficiency and radiator sizing

The majority of UK homes are heated with gas or oil-fired boilers: most are more efficient, condensing boilers. If you still have a non-condensing boiler, it is worth considering replacing it with either a condensing boiler or a heat pump.

If you have a condensing boiler, check that it is operating efficiently, in condensing mode. This requires the temperature of the water returning from the radiators to be low enough for the steam in the boiler flue to condense.

It's probably not worth installing a heat pump if you still have a condensing boiler in good condition and until your property is sufficiently well insulated. However, if you need to replace a radiator, start to prepare for a heat pump by installing a larger one, sized to work at the lower flow temperature (45°C) needed for heat pumps.

## Funding the work

If you have the funds available then all the work outlined above will give you a reasonable payback.

If not, there are two current Energy Company Obligation (ECO) funding schemes for eligible people and properties. Both can be accessed through your (or another) energy supplier, as well as other routes:

ECO 4: provides funding for people on certain benefits.

The Great British insulation scheme (was ECO Plus): will fund improvements to any property with an Energy Performance Certificate (EPC) rating D-G and within council tax bands A-D, as well as people on other benefits who are not eligible under ECO 4.

There are other funding schemes that you may be able to access.

## [Volunteer to help us help others](#)

[An Energy Reduction group has been set up in Bridgnorth, chaired by Sustainable Bridgnorth with the support of the Town Council and other organisations.](#)

We are looking for volunteers to train as energy advisors and provide initial advice to residents. Please come along to a Sustainable Bridgnorth meeting to find out more or visit us at the Bridgnorth Green Festival in the Castle Gardens on Saturday 9<sup>th</sup> September.

You can contact Sustainable Bridgnorth via our Facebook page.

## Tasley News

Where have the last 2 months gone? Autumn is fast approaching and we begin to look towards our Harvest Festival & Supper.

It seems a long time ago, but I have to mention the wonderful Puddings afternoon hosted by Jean and John Jenkins back in July (Many thanks to them both) Over £1000 was raised for Hope House and Severn Hospice.

On the 6th August Lilly Burrows, Wendy's Granddaughter was welcomed into Tasley Church for her Baptism. We look forward to seeing them in Church again soon

Our coffee mornings continue to be a great success and we look forward to seeing you there on the 1st Monday of each month.

***Saturday 9<sup>th</sup> September***

Every year in early September, the Shropshire Historic Churches Trust organises a sponsored '*Ride and Stride*'. This is a great way of spending an enjoyable day exploring Shropshire as well as making money for our own churches and for the Trust. Half the money raised goes to our local church and the remainder to the Trust which helps Shropshire's churches by providing grants for maintenance and repairs.

Participants visit as many (*or as few*) churches as they wish, usually cycling or walking between them, but horse riders and those arriving by car or mobility scooter are also very welcome. You can choose to be sponsored for each church or chapel visited or just for taking part. Many take part with friends or as a family and you can choose whether to visit locally or explore further afield. If you can't Ride & Stride, why not fill your car with friends and drive between churches?

Most churches provide simple refreshments and at many you'll also receive a welcome from locals and maybe learn something about the church and its fascinating history.

To find out more about getting involved or sponsoring someone, contact Sheila Royle or Blake Bromley for St Mary's, Bridgnorth or your local church co-ordinator.

Further information and lists of participating churches are on the website: [www.shropshirehct.org.uk](http://www.shropshirehct.org.uk).
